

PlainsCapital Bank Partners With Cardtronics To Expand Surcharge-Free Atm Access For Customers (It Industry Today)

PlainsCapital Bank, one of the largest banks headquartered in Texas based on deposits, has partnered with Cardtronics to provide its customers convenient and surcharge-free cash access through the Allpoint Network of ATMs.

Allpoint, the largest surcharge-free ATM network in the U.S., has more than 55,000 ATMs worldwide. It provides banks like PlainsCapital convenient access to a physical infrastructure of secure and reliable ATMs at top retail establishments, including grocery and convenience stores, pharmacies, and big-box stores. The addition of Allpoint ATMs to the PlainsCapital fleet of ATMs immediately broadens the scope of surcharge-free cash access points available to PlainsCapital customers.

“As the world of banking continues to evolve, it’s important that we give our customers widespread ability to withdraw funds without transaction fees,” said PlainsCapital Bank Chief Administrative Officer Pete Villarreal. “By partnering with Cardtronics, we have once again elevated the way we support our customers by adding another layer of convenience and scale.”

“We are excited to have PlainsCapital join our Allpoint Network to heighten the way it supports its customers’ financial needs,” said Carter Hunt, Managing Director of North America at Cardtronics. “We look forward to ensuring PlainsCapital customers have convenient access to cash no matter where they are without having to pay added fees.”

PlainsCapital customers can find Allpoint ATMs using the Allpoint locator at allpointnetwork.com/locator.
