

BANK AT WORK ACCESS

Exclusive Features and Premium Perks for Employees of Participating Companies

Supporting the financial goals of our business customers and their employees is an important part of our mission at PlainsCapital Bank. With Bank at Work Access Checking, we offer an account loaded with premium perks and exclusive benefits, available only to the employees of our business partners who offer payroll direct deposit. But Bank at Work Access is more than just a checking account. With other exclusive benefits like discounts, specials, and educational seminars, Bank at Work Access offers a collection of products and services designed to help you get the most out of your money.
